Del Norte County

Grantee: Del Norte Solid Waste Management Authority

Amount Awarded: \$159,474.00

Grantee Contact: Mr. Tedd Ward

Grantee Contact Phone Number: 707-465-1100

CalRecycle Grant manager: Cheryl Williams

Project Summary: This project will result in the construction and promotion of a new permanent HHW facility serving multiple rural jurisdictions. This facility, operated as a Recycle-Only facility by the Transfer Station operator every day, will enable an expansion of the variety of HHW materials collected daily. In addition, for broad-spectrum HHW collections, the project will include two trials (not fewer than eight days of operation), to determine the most cost-effective way to provide regular and convenient HHW recovery and HHW disposal services for Del Norte County.

Total Awarded for County:\$159,474.00

El Dorado County

Grantee: El Dorado County

Amount Awarded: \$157,913.00

Grantee Contact: Mr. Dave Johnston

Grantee Contact Phone Number: 530-621-5896

CalRecycle Grant manager: Jeffrey Lin

Project Summary: This project is designed to expand existing HHW activities in El Dorado County (EDC) to include the collection of electronic wastes. Currently, household batteries, paint, antifreeze and all other HHWs are accepted at all permanent HHW facilities and temporary collection events held within the County. However, electronic wastes, including the recently designed as hazardous CRTs, have not been collected and have consequently been disposed of as solid waste. There are two primary tasks which will be undertaken. The first will be to educate the public about the need to recycle these products thereby reducing the environment impact. The second will be to collect the wastes and have them recycled.

Total Awarded for County:\$157,913.00
